RS PRO Anti Static Packaging

RS Stock No.: 0218568

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

These non-adhesive shims provide a secure and reliable connection when joining together splice carrier tape. Quick and easy to use, shim splice clip-frames can help to increase production and can be used on all SMT pick and place feeders. Single brass shims enable reels to be joined together ensuring a precise secure join between the two tapes.

Approvals

Complies with EN 61340-5-1	Yes
