Antibacterial Wound Cleaning Wipes

RS Stock No.: 787-3704

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These Antibacterial Wound Cleaning Moist Wipes from our own RS PRO brand are designed to help the healing environment and decrease the potential for infection. Using antibacterial wipes helps to wash away cellular debris such as bacteria, exudate and purulent material.
