

## Datasheet

### RS Pro 10 in Straight Tin Snip

RS Stock No: **400-6030**

## Product Details

RS Pro 10 Inch straight tin snip has a cutting capacity much greater than the strength of the user. The tests indicate that for most people the comfortable limit is 18 gauge mild steel, 23 gauge stainless steel or their equivalents.

## Features and Benefits

- Integral spring in the joint automatically opens the snips, increases output and reduces hand fatigue
- Ground cutting edges ensure smooth cutting action
- 10 Inch long
