

Sometimes efficiency just looks good

DESIGNED
& MADE IN
DENMARK

New member of the EDGE Family

We are proud to introduce the new Dustpan. Ideal for use in the food industry - with an increased rear edge height giving greater capacity and security, no crevices where dirt can harbour, and design allows for easy

cleaning. Suitable for use with Bench Brush 4587 and 4589.

Even more efficient, even more ergonomic and even more beautiful – Vikan EDGE

Dustpan EDGE Series

Materials

Meets FDA and EU-regulations. Designed and made in Denmark and marked with glass and fork symbol on underside.

Hanging hole

Easy-to-clean hanging hole.

Comfortable handle

Fixing point under handle provides a better grip for index finger.

Increased height

Rear edge of the dustpan (55 mm) increases capacity and security of collected debris.

Straight sweeping rim

Delivers total debris collection.

Larger tray area

Offers increased capacity for collection/-holding debris.

Improved hygiene

Rounded edges provide for better hygiene and ease of cleaning.

Colour codes

5660x
