

## Datasheet

# RS PRO SLANT LEVEL With Magnet

Stock number: 175-6604

EN

### Specifications:

- Material: ABS + Aluminum alloy with magnet
- Accuracy:  $\pm 1^\circ$
- Size : 250 \* 125 \* 25 mm

### Features:

- Quickly measure, verify or replicate surface pitch or angle
- Impact-resistant, heavy-gauge ABS case
- For construction work
- For civil engineering work
- Easy to handle and simple to use
