### Identification

|               |                             |
|---------------|-----------------------------|
| Element       | Energy supply               |
| Specification | DC power output             |
| Connector 1   | Han <sup>®</sup> Q 2/0 Male |
| Type of cable | Copper cable (round)        |
| Features      | TC-ER cable                 |

### Version

|                |                      |
|----------------|----------------------|
| Cable length   | 10 m                 |
| Core structure | 2x 4 mm <sup>2</sup> |

### Technical characteristics

|                 |    |
|-----------------|----|
| Type of current | DC |
|-----------------|----|

### Material properties

|                             |                                                        |
|-----------------------------|--------------------------------------------------------|
| Material (cable)            | PVC                                                    |
| Colour (cable)              | Black                                                  |
| RoHS                        | compliant with exemption                               |
| RoHS exemptions             | 6(c): Copper alloy containing up to 4 % lead by weight |
| ELV status                  | compliant with exemption                               |
| China RoHS                  | 50                                                     |
| REACH Annex XVII substances | Not contained                                          |
| REACH ANNEX XIV substances  | Not contained                                          |
| REACH SVHC substances       | Not contained                                          |
