## RS PRO Male USB A to Male USB A USB Cable, USB 2.0, 5m, USB 2.0

RS Stock No.: 182-8485

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

A male-to-male USB A to USB A cable allows you to connect a range of USB devices to your computer for easy data transfers. This one is part of our stringently tested RS PRO series. It's USB 2.0 compatible and supports high-speed data transfers. The cable's flexible outer sheath is designed to withstand heavy use and is made from flame-retardant black PVC to resist changes in temperature. Its outer diameter is 4 mm and it's five metres long.
