RS PRO Anodised Silver Aluminium Concealed Fixings Drawer Handle, 148mm

RS Stock No.: 456-573

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the excellent quality Drawer Handles from RS PRO. These stylish looking handles are made from quality diecast aluminium. Finished in anodised aluminium, a smooth, slim rectangular shaped face that sits on robust rectangular feet to provide sturdy and secure fixing to drawer or door fronts. These aluminium cupboard handles are suitable to be used in a wide range of application. Machined threads for fixing with M6 screws ensure safe operation and ease of mounting.
