

Made in Germany

Product characteristics

65-80 / G 3/4

Flange plate

Environment

Maximum vessel pressure [bar] -1...4 (depending on the used seal)

Mechanical data

Design for level sensors LR

Housing materials flange: stainless steel (303S22)

Weight [kg] 0.199

Remarks

Pack quantity [piece] 1

Other data

Recommended tightening torque [Nm] 6...9
