#### FS-1E-1304-00

# Advantages

Cost saving and easy compilation of components for pattern construction through unification

Insertion of air gaps on request

On request wound inductors to EN61558-2-16 standard an EN60950 or cacuum potted  $\,$ 

### **Applications**

Transformers and reactors in switch mode power supplies

## Approvals

# Core **FS-1E-1304-00**
