GEAR OIL 'SUPER' FG

GEAR OIL 'SUPER' FG are transparent, odourless gear oils based on Poly Alpha Olefins for use in the food, drink, and pharmaceutical industries. NSF H1 registered for use where incidental food contact may occur. These fully synthetic gear oils demonstrate excellent lubricity with EP additives for proven anti-wear performance. Ideal for use on highly loaded gears and gears subjected to extremes of temperature.

- High EP and anti-wear properties
- Meet DIN 51 517 for gear oils
- Provides extremely wide temperature stability
- Extends servicing intervals
- Very good anti-corrosion performance
- Excellent materials compatibility
- Very good foam control characteristics
