- Lanyard
- Nylon cord
- Brass ring

RS PRO Dust Cover Lanyard

RS Stock No.: 0558864, 0558866

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

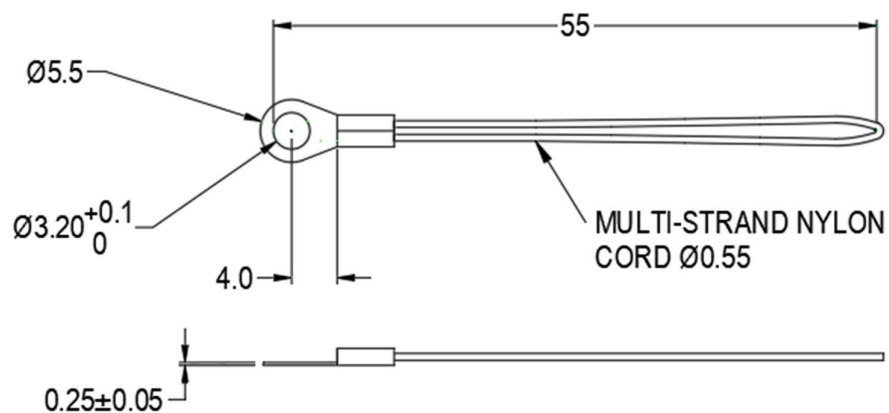

This dust cover lanyard is made from nylon cord and has a brass ring to allow it to be attached with a screw to a panel. The lanyard can then be looped through the dust cover to prevent it getting misplaced when the connector is in use.
