

Features

- **High-Visibility Safety Warnings** – Clearly printed warnings alert personnel not to start or move the vehicle.
- **Tamper-Resistant Design** – Equipped with a brass-reinforced eyelet to secure the cover using a padlock or hasp.
- **Durable & Weather-Resistant Material** – Made from lightweight, durable material for long-lasting performance indoors or outdoors.
- **Universal Fit** – Compatible with most standard steering wheels, including forklifts and pallet jacks.
- **Easy Installation** – Features a stitched pocket on the back for a snug and secure fit over the steering wheel.
- **Enhances Workplace Safety** – Prevents accidental startups and supports compliance.

RS PRO Steering Wheel Cover - 50 cm Diameter

RS Stock No.: 0694400

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

- *Steering Wheel Lockout Covers are designed as a visual and physical deterrent to prevent unauthorized use of industrial vehicles during maintenance or repair.*
- *Constructed from durable, light weight, weather-resistant material, making them ideal for indoor and outdoor industrial environments.*
- *The bold printed warning message prominently alerts workers to avoid operating the vehicle.*
- *Equipped with a brass-reinforced eyelet, allowing for secure locking with a padlock or hasp (sold separately).*
- *Features a stitched pocket on the back side's upper section for easy and secure placement over the steering wheel.*
- *Compatible with forklifts, pallet jacks, construction equipment, and fleet maintenance vehicles.*
- *Promotes visual hazard identification and improves compliance with safety protocols.*
- *Prevents accidental or unauthorized startup, safeguarding maintenance staff and equipment.*
