RS Pro HypaCover Adhesive Dressings, Large

RS Stock No.: 0765487

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

These HypaCover Adhesive Dressings are ideal for large cuts and grazes. The wound pad is highly absorbent and covered in a non-adherent film, reducing the likelihood of further trauma when the dressing is removed and preventing strike through.

The hypoallergenic dressing provides protection and comfort, conforming and sticking even to areas such as the neck, elbow and hip. Dressings are individually wrapped and sterile, helping to prevent secondary infection.
