RS PRO Padlocks

RS Stock No.: 0217695

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This product is lightweight, resistant to high and low temperature, UV, and impact. The arc aluminum lock body design, with a chromium plated steel shackle allow this padlock to bear a strong external force.

The oxidized surface of the lock body can be labeled, or laser engraved.

Application environment: Normal Indoor and Outdoor.

Not suitable for seaside, moisture environment.
