

DCH911X3-QW

54V XR FLEXVOLT 11Kg Demolition Hammer - 3 X 9Ah

5035048791691

Product Description :

POWER OF CORDED. FREEDOM OF CORDLESS. The DEWALT 54V brushless motor and 9AH high capacity battery deliver 27 Joules of impact energy for the toughest demolition jobs on site. Despite its high performance the DCH911 features class leading vibration of 6.0m/s² thanks to a floating mechanism. Wireless Tool Control enables automatic stop start dust extraction when used with the DCV586M Cordless M-Class Extractor.

Product Features and Benefits :

- Brushless motor offers increased runtime and durability with reduced maintenance
- LED service indicator
- Compatible with DWH051 dust extraction adapter for dust-free operation
- Perform & Protect: low vibration at 6.0m/s², minimising user fatigue and increasing productivity
- Floating mechanism for fully encased vibration reduction
- Class leading 27 joules of impact energy
- Wireless Tool Control transmitter which allows the tool to be wirelessly paired with another Wireless Tool Control device, such as a dust extractor, for automatic activation and shut down
- Electronic 2-stage speed and impact energy selector for increased user control
- 12 chisel positions to tailor the orientation of flat chisels
- SDS max® toolholder for a wide variety of readily available accessories
- Tool Connect Tag securing location allowing inventory management and tracking via the Tool Connect app. DCE041 Tool Connect Tag sold separately

Technical specifications :

- Voltage : 54 V
- Amps : 9 Amp
- Sound Pressure : 89 dB(A)
- Sound Power : 97 dB(A)
- Sound Pressure Uncertainty : 3 dB(A)
- Sound Power Uncertainty : 3 dB(A)
- Vibration Measurement (Chiseling) : 6 m/s²

Product Warranty :

1 Year Limited Warranty, 3 Year Limited Warranty When Registered

Included items :

- 9.0Ah XR FLEXVOLT Battery Pack With State of Charge Indicator (x3)
- Multi-Voltage Charger (x1)
- Bail/loop style auxiliary handle (x1)
- Heavy Duty Carrying Case (x1)
