0182 : Extra-Wide Multigrip Pliers with Fast Locking Button

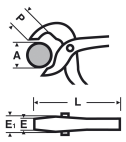

The + product :

Practical: wide opening to substitute for several sets of pliers.
Ergonomic with very large handles for a better grip
Fast with a fast locking button for accurate adjusting.

Description

Extra-wide opening, up to 30% wider than typical pliers: one set of pliers instead of several (saves weight and space in the toolbox).
Fast locking button for easier and more accurate adjusting, 18 locking positions
Non-slip handles for a better grip.
Extra-wide handles for a better grip and lesser effort.
Chrome vanadium pliers, forged for a very high strength tool with double thermal treatment.
