PARK1800GAL

Galvanized steel parking stop - Ø 76 mm - L 1800 mm

This galvanised steel parking stop is designed to effectively demarcate and organise parking spaces and to secure traffic areas. Its robust design offers excellent impact resistance and helps to prevent collisions when parking vehicles. It is fitted with 2 mounting plates, each with 2 fixing holes, for quick and secure installation. Ideal for outdoor car parks, underground car parks or commercial areas.
