

4013288040091

367 TORX PLUS® Screwdriver for TORX PLUS® screws, 6 IP x 60 mm

EAN:	4013288040091	Code:	05028030001
Type:	367 TORX PLUS®		
Size:	6 IPx60		

High-quality Wera screwdriver for Torx Plus socket screws. Torx Plus profiles have an elliptical profile which makes it possible to increase the size of the six flanks that transfer the torque between the tool and the screw. The force applied by the user is distributed across larger surface area allowing more torque to be transferred and extending the service life of both the screw and the tool. Multi-component Kraftform Plus handle for a high working speed and ergonomic screwdriving without blisters and calluses. Hard materials to ensure rapid hand repositioning without any danger of the skin sticking to the handle. Soft zones ensure high torque transfer. With non-roll feature to prevent any rolling away at the workplace. With screw symbol and tip size identification markings on the handle to make it easier to find the right screwdriver in the tool case or at the workplace. Black Point tip for enhanced corrosion protection and precise fit.
