RS Pro 10m Male DB25 to 36-Pin Male IEEE1284 Parallel Cable Assembly

Product Details

IEEE1284 Printer Cable

Connects new IEEE 1284 equipment connectors to the standard PCs printer ports, IEEE 1284 A-C cable assembly, Connects existing Centronics equipment connectors to the standard PC printer port. (36 pin half pitch Centronics connector (B) to a 25-way D connector (A)). This is the special cable type recommended by some printer manufacturers. IEEE 1284 A-B cable assembly, high speed bi-directional parallel interface for Personal Computers and Peripherals. (25-way D Connector to 36 Pin Centronics Connector)

Specifications:

Connector A	Male DB25
Connector B	36-Pin Male IEEE1284
Length	10m
