Datasheet

RS Pro USB 2.0 Cable Assembly, Male USB C to Male USB A, 2m

RS Stock No: **895-0499**

Product Details

RS Pro USB 2.0 cable assembly has male USB C connector at one end and male USB A connector at the other end. This 2 m long cable has a black PVC sheath for added flexibility. It allows you to connect and integrate the latest hand held and portable devices to existing devices with standard USB A connections. The USB C connector has the unique reversible feature, allowing you to plug in any direction first time every time. It is compatible with USB 3.1 versions.

Features and Benefits

- 2 m long
- USB C male to male USB A
