

Kraftform Kompakt 20 RA-R, 6 pieces

Kraftform Kompakt 20 with ratchet functionality

EAN:	4013288233981	Size:	155x60x40 mm
Part number:	05051513001	Weight:	250 g
Article number:	Kraftform Kompakt 20 RA-R	Country of origin:	CZ
		Customs tariff number:	82054000

- The ratchet with fine tooththing integrated in the handle allows fast working
- The innovative ratchet mechanism also allows fast "spinning". A real problem solver when there is no resistance from the screw
- Intuitive switching: If I turn the switch clockwise - the ratchet turns clockwise, if I turn the switch counterclockwise - it goes counterclockwise
- Integrated bit magazine with 6x 25 mm bits
- BiTorsion Bits
- Take it easy tool finder: colour coding according to profile and size
- Innovative Rapidaptor technology for a quick bit change

Kraftform handle with magazine for 6 bits integrated in the handle; with telescopic blade; for 1/4" hex drive bits. The ratchet with fine tooththing integrated in the handle allows fast working. Switching the screwdriving direction is intuitive: Turn the ring switch clockwise for clockwise screwdriving, turn it counterclockwise for counterclockwise screwdriving. Use position 0 to deactivate the ratchet mechanism for precise working. The telescopic blade with Rapidaptor quick-release chuck, which can be retracted into the handle, allows quick manual screwdriving even in confined working situations when the blade is retracted. The blade can be extended by simply pressing the locking sleeve. The tool can now be used as a fully-fledged screwdriver. The telescopic blade can be removed and used as a machine adapter, as well as returned to its original position. The Rapidaptor technology of the bit holder makes for a quick bit change. Includes 6 BiTorsion bits for long product life, tough, for universal use; stored in the bit magazine integrated in the handle. The strong permanent magnet in the 1/4" bit mounting ensures a secure hold of the bit. The 2-component Kraftform handle with the combination of hard and soft zones allows for a firm grip and precise working. With a robust pouch.

Kraftform Kompakt 20 RA-R, 6 pieces

Kraftform Kompakt 20 with ratchet functionality

Innovative ratchet mechanism

The ratchet with fine toothing integrated in the handle allows fast working. The innovative ratchet mechanism also allows fast "spinning". A real problem solver when there is no resistance from the screw.

Intuitive switching, and deactivation of the ratchet functionality

Intuitive switching of the ratchet mechanism. Turn the switch clockwise for clockwise screwdriving; turn it counterclockwise for counterclockwise screwdriving. Use position 0 to deactivate the ratchet mechanism for precise working.

Ratchet mechanism allows "spinning"

The innovative ratchet mechanism also allows fast "spinning". A real problem solver when there is no resistance from the screw.

We can handle it!

This set has it all: ratchet integrated in the handle, a telescopic blade that can be retracted into the handle (which can also be removed and used as a bit holder in the screwdriver machine) and a bit magazine integrated in the handle. The Rapidaptor technology guarantees lightning-fast bit changes as well as easy wielding of the tool in machine operations via the fast-rotating sleeve.

Manual and power tool operations

The sets come with a Kraftform handle, quick-release chuck and bits for manual and power tool operations.

Handle/interchangeable blade system

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

Telescopic blade that can be retracted into the handle

When the telescopic blade is retracted in the handle, the tool can be used even in confined working situations.

Extended telescopic blade

The telescopic blade can be extended by simply pressing the locking sleeve. The tool can now be used as a fully-fledged screwdriver.

Kraftform Kompakt 20 RA-R, 6 pieces

Kraftform Kompakt 20 with ratchet functionality

Set contents:

851/1 BTZ bits, PH 1 x 25 mm

05056420001
05056422001

1x PH 1 x 25 mm
1x PH 2 x 25 mm

855/1 BTZ bits, PZ 2 x 25 mm

05056722001

1x PZ 2 x 25 mm

867/1 BTZ TORX® bits, TX 20 x 25 mm

05066124001
05066126001

1x TX 20 x 25 mm
1x TX 25 x 25 mm

800/1 BTZ bits, 0.8 x 5.5 x 25 mm

05056064001

1x 0.8 x 5.5 x 25 mm
