

Features

- **Essential for 5S "Sort" Phase** – Helps identify and tag unnecessary items for removal or action.
- **Durable Polyvinyl Material** – Resistant to water, oil, dirt, and harsh factory environments.
- **Writable Matte Finish** – Easy to mark with permanent markers; ensures clear communication.
- **Pre-Printed Dual-Sided Format** – Includes form fields on front and checklist/comments on the rear.
- **High Visibility** – Bright red color with bold text ensures the tag stands out.
- **Brass-Reinforced Eyelet** – Enables secure attachment via string, wire, or padlock.

Product Description

RS PRO 5S Red Tag (Pack of 10)

RS Stock No.: 0694395

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

- *5S Red Tags are specialized tools used to implement lean workplace organisation, particularly during the “Sort” phase of the 5S methodology.*
- *Ideal for identifying and categorizing non-essential items, these tags support operational efficiency and structured decision-making.*
- *Constructed from durable, flexible polyvinyl, offering excellent resistance to water, oil, dirt, and industrial wear.*
- *Features a smooth matte surface that allows for clean, permanent marker writing.*
- *Comes with pre-printed sections:*
 - *Front side includes fields for item name, tag number, date, department, and more.*
 - *Back side features an action checklist (Relocate, Remove, Clean, Store, Repair, Other) and space for additional comments.*
- *Equipped with a brass eyelet, making it easy to hang on equipment or materials using string, wire, or padlocks.*
- *Bright red colour and bold typography offer excellent visibility, supporting effective visual management.*
- *Tear-proof and weather-resistant, suitable for both indoor and outdoor lean management initiatives.*
