

## Enhanced Wireless USB Adapter

Get the most out of your Enhanced Wireless Network

Part # F6D4050ed

The Enhanced Wireless USB Adapter connects your desktop or notebook computer to your wireless network. With a Belkin Enhanced Wireless Router (Sold Separately) as the central connection point of your network, the adapters speeds are ideal for handling applications that take up more bandwidth than simple e-mailing and web surfing.

The Enhanced N150 range is 802.11b & g certified and based on the 802.11n technology. This range will give you 802.11n technology at an even more affordable price.

### Features

- Stream music
- Share Photos
- Enjoy online gaming
- Surf the Web
- Manufacturer's Lifetime Warranty
