- Dispensing length of 600mm ideal for mounting multiple cable drums
- A frame design for easy installation

RS PRO Cable Stand 270mm (H) x 300mm (L) x 650 mm (W) diameter 350mm 1 shelf in Steel

RS Stock No.: 2461182

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This compact cable dispenser from RS PRO is a lightweight yet sturdy dispensing rack ideal for wires and cables in a range of environments. The rack is manufactured from tubular steel and features an epoxy powder coat finish, offering excellent durability and corrosion resistance. The compact design of this cable reel holder makes it ideal for use in areas where space is limited such as on a bench top, in a vehicle or on site, making it highly versatile and economical
