

Integrated Lock and Chains Easy and convenient

Integrated lock and chain sets are easy to use and convenient because there is no need to use a separate padlock. There is no compromise on the level of security available, the Conger achieves Sold Secure Bronze, the CN8/900 achieves Sold Secure Silver. The ZR Combi has the added advantage of being a combination lock, meaning 'no keys to lose'. This lock comes with a built in LED making it an ideal choice for people who need to lock up in dark places.
