

Tigmaster™

A comfortable light duty welding glove

Tigmaster™ from Polyco is a welding gauntlet fully compliant with European standard EN12477 for Type B welding and EN407 for thermal hazards.

Consisting of sheepskin and heavy duty leather, the Tigmaster™ has been specifically designed for Type B welding (Tig welding) and light mechanical handling. The glove area is made of high quality sheepskin that is extremely soft and comfortable. This is complimented with a heavy duty leather cuff, providing extra protection to the forearm. It is available in medium and large sizes, with the large size providing extra length in the cuff.

Case Quantity
1 pair per polybag
100 pairs per case
