BIG WIPES MULTI-SURFACE TECHNICAL DATA SHEET

DESCRIPTION

Plastic Free, 100% biodegradable and super-absorbent Multi-Surface wipes that are ideally suited for applications involving the removal of non-hazardous substances where they can be disposed of in the normal waste or composted with 'green' waste.

Big Wipes ProPlus Formula

The unique biodegradable, water-based formulation of exceptional power cleansers ensures the fast removal of paint, adhesives, oil, sealants, silicones, PU foam and general grime. Designed to meet tough EU Regulation 1223/2009 for Cosmetic Products, Big Wipes Multi-Surface wipes contain 4x skin conditioners - Aloe Vera, Lanolin, Vitamin E and Glycerine – all helping to nourish and protect the skin.

USAGE

Use without water for effective cleaning of surfaces, tools and hands. Ideal for tradespeople on the move. For best results, clean spills immediately. Dispose of content/container in accordance with local regulations.

FEATURES	BENEFITS
Exceptional combination of Power Cleansers	High performance cleaning agents remove paint, adhesives, silicone, epoxy, PU foam, oil, grease and more from hands, tools and surfaces. Save money and time by fixing accidents immediately and effectively.
4x Skin Conditioners	**Aloe Vera** – Soothes and hydrates skin. **Glycerine** – Softens and locks in moisture. **Lanolin** – Helps protect and restore dry, rough skin. **Vitamin E** – Antioxidant that helps protect and maintain healthy skin.
Plastic-free, Biodegradable, 100% plant based viscose, hydro-weave fabric with engineered grime pockets	Ideally suited for the removal of non-hazardous substances where they can be disposed of in the normal waste or composted with 'green' waste. Hydro-weave technology retains more cleaning solution to stay wetter for longer, while engineered grime pockets lift and trap dirt for superior cleaning performance.
Biodegradable, low VOC, water-based formula. Free from SLS, MIT, parabens, phosphates & other toxic ingredients	Dermatologically tested with zero skin irritation recorded during controlled testing. Complies with EU Cosmetic Regulation 1223/2009 for cosmetic products. The toxic free formula helps minimise user exposure to harsh chemicals, while limiting the release of harmful chemicals into wastewater and the air.

BIG WIPES® MULTI-SURFACE TECHNICAL DATA SHEET

TECHNICAL DATA

INGREDIENTS: AQUA, DIMETHYL GLUTARATE, BUTYL LAEVULINATE, POLYSORBATE 80, GLYCERIN, SODIUM CITRATE, DIMETHYL SUCCINATE, METHYL OLEATE/PALMITATE/LINOLEATE/STEARATE, DIMETHYL ADIPATE, ALCOHOL, PARFUM, CITRIC ACID, PEG-75 LANOLIN, TOCOPHERYL ACETATE, PROPANEDIOL, ALOE BARBADENSIS LEAF JUICE POWDER.

Health & Safety: Material Safety Sheets are available separately.

Shelf Life: Unopened 36 months; Opened 12 months.

Handling Instructions: Remove one wet wipe and clean soiled hand or surface with wipe. Always test on a hidden spot before use. Not suitable for some plastics, delicate surfaces and fabrics. Dry fluid from hands before handling sensitive items or equipment. For hand use only. Always shut the lid after use, keep container upright and store at room temperature. For use by professionals

Caution: Keep out of reach of children. Keep away from heat and flame. Avoid contact with the eyes. In case of eye contact, immediately flush eyes thoroughly with water. If condition persists, contact a doctor.

PRODUCT TESTING

Regulatory Compliance & Safety Assessment: Complies with EU Regulation 1223/2009 for cosmetic products. 'The formulation BIG WIPES is harmless to health, in light of the general toxicological profile and of the ingredients, chemical structure and the degree of exposure in compliance with the warnings and conditions of use under normal and foreseeable purpose of use.' Safety Assessment Statement by KFT Chemieservice GmbH (18 June 2024).

Dermatological Testing: Zero skin irritation recorded during controlled testing by dermatologists.

Toxicological Testing: Non-hazardous

APPEARANCE

White, plant-based viscose, impregnated wipe
Fresh Citrus 'Sports Active' fragrance
