

Features

- Tubular crimp ring terminal
- Tin plated copper
- Reliable electrical connection
- Uninsulated
- Thin-walled
- Easy assembly

RS PRO Terminal lug KS

RS Stock No.: 0434556

0434558

0434559

0434561

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Tinned copper cable terminals designed for connection of round and sector shape copper conductors for voltage up to 1kV. Increase the safety and durability of the connection.

General Specifications

Material:	Tinned copper
-----------	---------------

Mechanical Specifications

Assembly type:	Cable terminal lug designed for crimping
----------------	--

Electrical Specifications

Recommended up to:	1 kV
--------------------	------

Approvals

Declarations	MFR Declaration of Conformity
Hazardous Area Certification	ATEX / IECEx
