

## Notice : RHT thermal screen

Index : 2

### GUYARD SAS

22-24, rue Lucien Rouzet  
Z.A. Villedieu sur Indre/Niherne  
36250 NIHERNE FRANCE

### Minor risks only

Declaration available on [guyard-sa.com](http://guyard-sa.com)  
In compliance with EU regulation 2016/425.

### FEATURES :

- Screen in aluminized aramid lined with first crust of High-Temperature-Resistance-treated bovine rump.
- Chrome-tanned.
- The screen can be superimposed on the glove by means of 2 elastics, positioned on the palm and wrist of the glove.
- Para amide thread seams.
- Dimensions approx. 200mm\*150 mm.

### AVAILABLE SIZE :

- One size fits all.

### PRECAUTIONS FOR USE :

- Before re-use, check the screen for defects, holes, tears or abnormal wear.

### SAFETY COMFORT AND DEXTERITY :

- The screen does not contain any substances at levels are known or suspected to have adverse effects on the user's hygiene or health under the foreseeable conditions of use.

### PACKAGING

- In the case of deconditioning, a copy of the leaflet must be enclosed with the smallest packaging.

### MARKING :

- The CE marking affixed to this glove signifies compliance with the essential health and safety requirements of European Regulation 2016/425 relating to personal protective equipment (PPE).

### PROTECTION LIMITS

- Do not use for handling objects at temperatures above 50°C.
- Only to be used in conjunction with a welding glove, does not offer direct protection against thermal risks.
- Do not use for handling chemicals or liquids.

### RECOMMENDED USES:

- Complementary thermal protection for welding gloves.

### MAINTENANCE AND STORAGE :

- No special maintenance is recommended. We recommend storing products in a cool, dry, well-ventilated, dark place.

### END OF LIFE

- End of life destruction must be controlled and comply with European Traceability and environmental requirements.
