

## Features

- Manufactured from durable polyamide 6.6 (PA66) material.
- Features a self-locking mechanism for secure bundling.
- Designed for general-purpose cable management applications.
- Compliant with RoHS standards, ensuring environmental safety.

## RS PRO Cable Ties

RS Stock No.: 0656095

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

This cable tie is made from high-quality polyamide 6.6 (PA66), offering durability and reliability for various cable management applications. Its self-locking design ensures a secure hold, making it ideal for bundling wires and organising installations. Designed for general-purpose use, it meets RoHS compliance standards, ensuring safety and environmental responsibility.

## General Specifications

Series	Cold Weather Resistant
Type	Non-Releasable
Colour	Black
Material	PA66
Finish	Smooth
Application	Designed for quick installation and bundling of cables
Resistant To	Not specified
UV Resistant	No
Minimum Operating Temperature	-40°C
Maximum Operating Temperature	Not specified
Fire Behaviour	Self-Extinguishing
Quantity	100

## Mechanical Specifications

Length	250mm
Width	4.8mm
Tensile Strength	222N

## Approvals

Declarations	RoHS, Halogen Free
