## RS PRO 1-Drum Polyethylene Spill Pallet

RS Stock No.: 0360076

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*The RS PRO 1-drum polyethylene spill pallet is designed to provide secure and efficient containment for liquid storage. It features an anti-slip surface, improving safety when loading and unloading drums. With a sump capacity of 230 litres and a maximum load capacity of 400kg, it ensures effective spill containment. The removable platform offers easy maintenance, while the forklift pockets make it simple to move the pallet around.*
