

Notice: Thermal Screen

Index : 2

GUYARD SAS

22-24 Rue Lucien Rouzet
Z.A Villedieu sur Indre/Niherne
France

Minor risks only.

In compliance with Regulation (EU) 2016/425.
Declaration available at guyard-sa.com

FEATURES :

- **Screen Material:** Aluminized aramid lined with natural bovine split leather.
- **Tannage:** Chrome.
- **Attachment:** The screen can be secured onto the glove with 2 elastics, positioned on the palm and wrist of the glove.
- **Stitches:** Para-aramid thread.
- **Dimensions:** Approximately 200 mm x 150 mm.

Available Size:

- **One size fits all**

Usage Precautions:

- Before each reuse, check that the screen does not have defects, holes, tears, or abnormal wear.

Safety, Comfort, and Dexterity:

- The screen does not contain substances at levels known or suspected to have harmful effects on the hygiene or health of the user under the foreseeable conditions of use.

Packaging:

- In case of unpackaging, a copy of the notice must be included with the smallest packaging.

Marking:

- The CE marking on this screen indicates compliance with the essential health and safety requirements of the European Regulation 2016/425 related to personal protective equipment (PPE).

Limits of Protection:

- **Temperature:** Do not use for handling objects with temperatures above 50°C.
- **Usage:** Intended to be used as an addition to a welding glove; does not provide direct protection against thermal hazards.
- **Chemicals:** Do not use for handling chemicals or liquids.

Recommended Uses:

- **Supplementary Thermal Protection:** Used as an additional thermal protection for a welding glove.

Maintenance and Storage:

- **Maintenance:** No special maintenance is required. It is recommended to store the product in a place protected from light, cool, dry, and ventilated.

End of Life:

- **Disposal:** Disposal at the end of life must be controlled and comply with European traceability and environmental protection requirements.
