- Three socket power strip
- 16A Type F Sockets
- 1.5m Cable

RS PRO 1.5m 3 Socket Type F - German Schuko Extension Lead, 230 V ac

RS Stock No.: 122-1100

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this robust multi-socket is ideal for powering several devices from a single mains power outlet. With multiple schuko CEE 7/3 sockets leading to a schuko CEE 7/4 plug, this socket can be used primarily in Germany, but also in several other European countries. Various sizes are available;

- [122-1105](#) is a 6 way schuko extension switch socket with a 2m cable
- [122-1106](#) is a 6 way schuko extension switch socket with a 5m cable
- [122-1100](#) is a 3 way schuko extension switch socket with a 1.5m cable
