Ser-1000 Long Life - Convolute Wheels

Convolute Wheels Norton-Ser-1000 Long Life-150x25.00x25.4#FINE

Artical Number :07660705227

EAN :3157621086283

Video 1 :

Description

Formed by wrapping and bonding web material impregnated with abrasive grain and resin around a center core. Convolute wheels offer a wide range of uses including burr removal, removing rust and oxides, and applying decorative surface finish where little or no stock removal is required. General deburring, blending & finishing

Features

Improved smear & heat resistant formula
Waterproof non-metallic
Dense web construction (9 density)
More open web construction (6 density)

Benefits

Use dry, wet or with oil
No contamination of workpiece
Long life & consistent high quality results
Starting point for deburring, blending, polishing & finishing
Smear proof & cool cutting on light deburring applications

Application Data

Material Application : STEEL
Machine : Bench Grinder
Process : Deburring
