

Datasheet

RS Pro Feed Through Terminal Block, CTS series, 35mm², 1000 V, 125A, Screw Clamp Termination, Brown, Single Level

RS Stock No: **796-1040**

Product Details

RS Pro feed through terminal block in brown colour, has 1000 V voltage rating and 125 A current rating. This single level, screw clamp termination system has marker holding recesses to accept marking tags for circuit identification and is suitable for 35 mm² wires. This block makes cross connection easy with the aid of shorting links/sleeves and screws. It is suitable for control, automation, instrumentation and power distribution applications.

Features and Benefits

- Rated voltage 1000 V
- Marker holding recesses to accept marking tags for circuit identification
- Wire entry orientation side entry
- Suitable for control, automation, instrumentation and power distribution applications

ENGLISH

Specifications:

Cable CSA	35 mm ²
Colour	Brown
Current Rating	125 A
Number of Levels	Single
Termination Method	Screw Clamp
Voltage Rating	1000 V
Wire Size	8 to 2 AWG
Standards Met	RoHS Compliant
