

Features

- Halogen free
- Three-phase set
- High electrical and mechanical resistance
- Anti-moisture barrier
- Length 650 mm

RS PRO Termination THP-I-6-CXd3/650 70-120

RS Stock No.: 0434587

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Heat shrink phase marker resistant to creeping current and environmental conditions is shrunk on particular cores' insulation. Heat shrink breakout boot with adhesive protects the place of cores' outlet. Additional anti-moisture barrier is guaranteed by insulation and filling mastic.

General Specifications

Material:	Crosslinked polyethylene
-----------	--------------------------

Mechanical Specifications

Assembly type:	Cable termination
----------------	-------------------

Electrical Specifications

Recommended up to:	3,6/6 kV
--------------------	----------

Approvals

Declarations	MFR Declaration of Conformity
Hazardous Area Certification	ATEX / IECEx
