

Features

- ESD – Designed to safely discharge static electricity and protect electronic components from electrostatic discharge events.
- Full Metal Construction
- Available in different sizes

RS PRO ESD Bold Assembled Rack 2000x800 - Board Shelf

RS Stock No.: 0687712

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested

by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO ESD bolt assembled rack is a versatile and easy-to-assemble shelving solution for warehouses, workshops, and laboratories. Made from steel sheets 1.0–1.5 mm thick, it supports up to 50 kg per shelf (reinforced version available on request). With adjustable shelves, leveling elements, and ESD protection, it offers flexibility, safety, and durability. Available with steel shelves or ESD tabletops, it adapts to various storage needs and work environments.
