FISSAGGIO A PARETE WALL-MOUNTING FIXATION AU MUR.
WANDBEFESTIGUNG FIJACION EN PARED.

Fissare sempre gli scaffali alla parete utilizzando gli appositi accessori "P" per ottenere il massimo della stabilità e robustezza.

For maximum stability and strength, always secure shelves to walls by means of the special "P" accessories supplied.

Fixer toujours les rayons au mur en utilisant les accessoires "P" prévus à cet effet, de façon à obtenir les plus hauts niveaux de stabilité et de solidité.

Die Regale immer mit Hilfe der entsprechenden Zubehörteile "P" befestigen, um maximale Stabilität und Robustheit zu erzielen.

Fijar siempre los estantes en la pared utilizando los accesorios "P" para obtener la máxima estabilidad y resistencia.

Come assemblare i vari kit Assembling the various kits Comment assembler les différents kits Zusammenbau der verschiedenen Kits Cómo ensamblar los diferentes juegos.

Appoggiare l'anta su un piano e porre la vite nell'apposito alloggiamento situato sulla parete interna. Colpire la vite con un martello per ottenere il foro per il montaggio della maniglia.

Place the door on a flat surface and locate the screw in the socket provided on the inside face. Knock the screw through with a hammer to open up the hole required for fixing the handle.

Poser la porte sur un plan et placer la vis dans le logement prévu à cet effet sur la paroi intérieure. Taper sur la vis avec un marteau, de façon à obtenir le trou permettant de monter la poignée.

Die Tür auf einer Fläche auflegen und die Schraube in die entsprechende Aufnahme der Innenwand einsetzen. Die Schraube mit einem Hammer eintreiben, um die Öffnung für die Montage des Griffs herzustellen.

Apoyar la puerta en un plano de apoyo y colocar el tornillo en la sede situada en la pared interna. Golpear el tornillo con un martillo para obtener el orificio en el que montar la manilla.

Accessorio "T" utilizzabile come piano o come vaschette.
Accessory "T" for use as surface or container.
Accessoire "T" utilisable en tant que plan ou barquettes.
Zubehörteil "T", verwendbar als Fläche oder als Schalen.
Accesorio "T" utilizable como plano de apoyo o como contenedor.
