

FEATURES

- **3mm thickness:** Provides strength and durability for various applications
- **1200mm width:** Offers ample coverage for large projects
- **Density of 3.5 kg/m²:** Ensures a lightweight yet sturdy material
- **Hardness of 3 H:** Offers resistance to wear and tear
- **Tensile strength of 140 N/mm²:** Provides excellent load-bearing capacity
- **Blue colour:** Adds aesthetic appeal to finished projects

RS PRO 3mm Solid Aluminium Sheet, 1200mm Width

RS Stock No: 676-888

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO solid aluminium sheet is designed for a variety of industrial and commercial applications. With a thickness of 3mm and a width of 1200mm, it offers durability and versatility for projects requiring robust material solutions. Ideal for cladding, fascia panels, and signage, this aluminium sheet provides a reliable and long-lasting option.

General Specifications

Adhesive Backing	No
Colour	Blue
Density	3.5 kg/m ²
Product Type	Solid Aluminium Sheet
Suitability	Cladding, Fascia Panels, Folded Parts, Photo Mounting, Shop Front Signage, Sign Tray
Tensile Strength	140 N/mm ²

Mechanical Specifications

Hardness	3 H
Length	1200 mm
Thickness	3 mm
Width	1200 mm

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, Euroclass D-s2 to DIN EN 13501-1 7 B2 to DIN 4102-1, RoHS
