

## Features

- **Heavy-Duty Protection:** Prevents vehicle under-riding and detachment, ensuring maximum safety.
- **Durable Construction:** Built for long-lasting performance in high-traffic environments.
- **Optimized for Industrial Use:** Specifically designed for warehouses, loading docks, and factory production lines.

## RS PRO Trapezium Dock Bumper 3 Fixings 750mm Length x 250mm Width x 100mm Height SBR/NR

Vendor Partcode.: 0688204

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

*RS PRO Trapezium 3-Hole Dock Bumper is a high-performance solution designed to protect vehicles and structures in demanding environments. With a robust 750mm design, this dock bumper effectively minimizes the risk of HGVs (Heavy Goods Vehicles) under-riding, ensuring a secure fit that remains in place despite frequent impacts.*

*For enhanced resistance against vehicle overriding, this dock bumper can be installed with compatible mounting brackets, making it an ideal addition for loading docks. By reducing potential damage during docking operations, the RS PRO Trapezium Dock Bumper acts as a reliable protective barrier, preserving your infrastructure and assets from costly wear and tear.*

## Specifications
