No.:	PN26-016	Change of Oscillator of SKHI21.22 L50125-Series	27.03.2026

Dear valued partner,
Thank you for using Semikron Danfoss products. Within our continuous improvement activities we are working to enhance performance, quality and reliability of our products. This notification is to inform you of a minor change, where no acknowledgment is required.

Subject of change: Change of Oscillator of SKHI21.22 L50125-Series

Semikron Danfoss product type: SKHI 21/22 L50125-Series

Description of change: Change of Oscillator of SKHI21.22 L50125-Series

Reason for change: Discontinuation of currently used component

Impact of change: Affected products will retain the fit-form-function compatibility. The new oscillator, used for internal timing of the driver circuit, is qualified according to SD internal qualification. In general, the change has no direct influence for the end users.

Identification of change: New revision

Time schedule for change: Starting Q2/2026

Qualification: SD Standard Qualification
