

LENOX Wood and Plastic Recip Blades

148216J6R

- Extra-sharp fleam ground blade is ideal for cutting clean wood and plastic pipe quickly and pruning trees
- Bi-metal construction allows blades to bend and flex without breaking
- Designed to minimize friction and build-up while cutting
- 6 TPI toothing for successive material cutting

Description:

The LENOX Reciprocating blade has been designed with an extra sharp fleam ground blade which is ideal for cutting clean wood and plastic pipe quickly and pruning trees. The Bi-metal construction allows blades to bend and flex without breaking. Designed to minimize friction and build-up while cutting through the widest variety of materials.
