

Quick-Build™ QB-TILE Harness Board Accessory, Black, ABS, 12x12", PK1

QB-TILE

Panduit QB-TILE Harness Board Tiles are the square base component that allows Quick-Build™ mounting pegs and platforms to create a modular harness system. With a variety of harness board accessories these tiles are the foundation for your harness boards solution. They are 1'x1' (305 x 305mm) in size and come in packages of 8.

Specifications
