Crocodile Clips

Product Description

From our trusted and reliable own brand RS PRO, these robust crocodile clips are EN 61010 compliant and feature CAT III (1KV) rating, making them ideal for testing in a variety of applications. With a 4mm socket at rear that accepts a shrouded plug, these crocodile clips are suitable for use with a wide range of Multimeter test leads. This range of RS PRO crocodile clips also feature a 20A rating and opening jaw width of 28mm.
