

Datasheet

Stainless Steel Threaded Fitting Straight Coupler, ¼ in R Male to ¼ in R Male

RS Stock Number [4586867](#)

Features

- Straight connection of 2 male ports
- Maximum working pressure: 150 bar
- Body: Stainless steel 316L

Specifications

- | | |
|------------------------|--------------|
| • Connection 1: | ¼ in R Male |
| • Connection 2: | ¼ in R Male |
| • Fitting Direction: | Straight |
| • Fitting Type: | Straight |
| • Thread Size 1: | Coupler |
| • Thread Size 2: | G |
| • Thread Standard 1: | ¼ in |
| • Thread Standard 2: | ¼ in |
| • Working Temperature: | 20 to 180 °C |

Measurements

- | | |
|----------------|-------|
| • C1 (mm): | R1/4 |
| • C2 (mm): | R1/4 |
| • F (mm): | 14 |
| • L (mm): | 27 |
| • Weight (kg): | 0.019 |
