RS PRO Light Grey Nylon Cable Gland, M22 Thread, 8mm-13mm Cable Range, IP68

RS Stock No.: 0358125

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

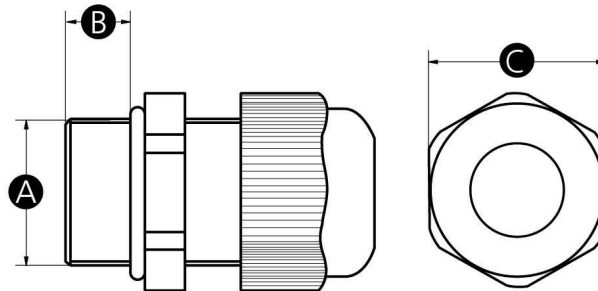

A high quality nylon cable gland with nitrile rubber o-ring and hermetic seal. These cable glands offer excellent strain relief and cable protection. Cable glands allow you to safely and securely mount a cable through a hole. These are commonly used in enclosures, on various types of equipment and machinery and in the construction industry.
