RS PRO Chemical Land Boom

13cm x 3m 2/box

RS Stock No.: 0360148

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO Chemical land boom is designed to stop spills from spreading. The long tubular shape allows the product to be used as a barrier around the affected areas. The product is flexible - it can be bent and shaped as required. The outer skin is made of spunbond. The chemical land booms are suitable for most industrial fluids, including oils and fuels. Finished in discreet grey outer skin.
