RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

First Aid

Product Description

Quality washproof plasters with strong hypoallergenic adhesive. Washproof plasters give stronger adhesion in wet or moist environments as the material does not absorb moisture. Washproof plasters are better used in the day to day covering of cuts and abrasions in wet environments or where constant hand washing occurs. The plasters are wrapped and sterile and the expiry date is marked on the box not on the individual plasters.
