## Technical data

### Product properties

|              |                 |
|--------------|-----------------|
| Product type | Marker carriers |
|--------------|-----------------|

### Dimensions

|        |         |
|--------|---------|
| Width  | 5 mm    |
| Length | 10.5 mm |

### Text field

|                   |        |
|-------------------|--------|
| Text field width  | 4.7 mm |
| Text field height | 9.2 mm |

### Material specifications

|                                                                         |             |
|-------------------------------------------------------------------------|-------------|
| RoHS compliant                                                          | yes         |
| Color                                                                   | transparent |
| Material                                                                | SAN         |
| Static insulating material application in cold                          | -40 °C      |
| Temperature index of insulation material (DIN EN 60216-1 (VDE 0304-21)) | 80 °C       |

### Environmental and real-life conditions

#### Ambient conditions

|                                                     |                  |
|-----------------------------------------------------|------------------|
| Ambient temperature (operation)                     | -40 °C ... 80 °C |
| Recommended ambient temperature (storage/transport) | 23 °C            |
| Recommended humidity (storage/transport)            | 50 %             |

### Mounting

|               |          |
|---------------|----------|
| Mounting type | latching |
|---------------|----------|
